Moses is one of the greatest prophets and leaders in all of Scripture! And yet we read that he was more humble than any man on the face of the earth (Num 12:3). Moses and God had a very close relationship and used to speak as friends (33:11). BUT—it wasn't always smooth sailing! It was an especially challenging when Moses descended from Horeb after receiving the Ten Commandments only to find Israel already worshipping an idol made of their own hands; already violating the 1st and 2nd commandments. The Lord threatened to destroy them. But Moses interceded for Israel and God relented. In the ensuing conversation with God, Moses asks to know God better (34:13) that he might find favor with God. Then Moses steps it up a notch and asks to see God's glory (34:18). Moses had been asked to lead God's people into the promised land (33:1-3) and he wanted to know more about the nature of God who would go with them. God replied; "I Myself will make all My goodness pass before you, and will proclaim the name of the Lord before you..." (33:19a).

After further instruction to Moses, "The Lord descended in the cloud and stood there with him as he called upon the name of the Lord. Then the Lord passed by in front of him and proclaimed, 'The Lord, the Lord God, compassionate and gracious, slow to anger, and abounding in lovingkindness and truth; who keeps lovingkindness for thousands, who forgives iniquity, transgression and sin; yet He will by no means leave the guilty unpunished, visiting iniquity of fathers on the children and on the grandchildren to the third and fourth generations.'" (Exodus 34:5-7).

So What? Why is this needed? I find this description of God especially interesting and important because this is not a description of what some man wants God to be. Nor is it an inspired man's idea of God. THIS IS GOD'S DESCRIPTION OF HIMSELF; provided so that Moses might know Him better, and thus find His favor. And it's provided to encourage Moses' work with the knowledge that this God is worth following. He's compassionate, gracious, longsuffering, He abounds in lovingkindness and truth and He's eager to forgive. Now that's motivation to serve and sacrifice! AND YET God warns Moses—He will by no means leave the guilty unpunished?

We like Moses, need to know who God is; His essence and His character. We cannot find favor with God while being ignorant about Him. Hosea said "My people are destroyed for lack of knowledge" (4:6a). Moses' God is our God. "For I, the Lord, do not change" (Mal 3:6). May we diligently seek Him Who seeks us (Heb 11:6; Psalm 53:2)!
